FIFA 22: Ultimate Team: Franchise and Rivalries Pack FIFA 22 Rivalry Mode: The All-Time World Champion will face off in the greatest rivalry in FIFA Ultimate Team history when EA Sports announces FIFA 22. Developed in collaboration with the FIFA community, the mode will include all of the world's greatest soccer players and clubs. Players will be able to play as the player whose club they support, in the teams and stadium of their choice. Rivalries will be comprised of eight different opposition sides in separate leagues. To date, this includes clubs from all six continents and several different leagues, including the UEFA Champions League, English Premier League, Bundesliga, Serie A, La Liga, Ligue 1, the Turkish Süper Lig, Eredivisie and the Chinese Super League, among others. FIFA 22 EASA Licensing: Utilize the full spectrum of EASA license holders in FIFA 22, including both official and non-official competitors of the FA, AFC, CAF, Confederations, CONF-Olympico, CONCACAF, Confederations, Confederation of African Football, the Fédération Internationale de Football Association, FIFA, and IFA. FIFA 22 Trial: Compete in-game in your first FIFA trial using real-life players. Players are matched up to play in a few live matches at the very high intensity level that you've trained with for the previous two years. You'll then be able to take those same skills and abilities into a career mode match and build a similar team over time to play in FIFA Ultimate Team. FIFA 22 Live Clubs: The All-Time World Champion will be matched up against two of the world's biggest live clubs, Manchester United and Real Madrid. More clubs will be announced later this year. FIFA 22 Official Kits: The official FIFA World Cup 20 kits include all 14 teams that have qualified for the tournament. Each kit showcases the team's colors and patterns inspired by the legendary history of the tournament. FIFA 22 Release Date: FIFA 22 is scheduled to be released on September 27th, 2019 for the Xbox One, PlayStation 4, PC, Xbox 360, and PlayStation 3. FIFA Mobile: Mobile will be the latest installment of the FIFA franchise following the release of FIFA 21. Mobile will be the latest
